**AT WORK** — Floretta Lauber, a member of the Planning Commission, spends literally hours listening to testimony from public hearings. She is shown here about to turn on the tape recorder, listen and take notes.

# Floretta Lauber Is Dedicated To Community

By JANE SHEPHERD

Floretta K. Lauber (Mrs. Harry) is an Arcadian whose major interest in life is in serving the community in which she makes her home. Her record of service, her experience and knowledge, her expertise in civic areas is well known in Arcadia.

Floretta, a third generation Californian was born and raised in this locality. She has been active in civic affairs here since 1960. She has just completed eight years of service on the Planning Commission and has been chairman of the group. She also served one year on the Personnel Board and was the first woman ever to be appointed to either board.

Floretta has chaired many of the committees involved with Planning work; Zoning, Multiple Development, Commercial, In Lieu Parking, Sign and Subdivision.

Hours spent by Mrs. Lauber over the period of time she has worked for civic affairs total thousands. Floretta is as dedicated to planning interest when she travels as she is at home. During many of the Laubers' European jaunts, Floretta and Harry dropped in on many a municipality to determine the how and who of local management planning.

Prior to Floretta Lauber's Arcadia commitment, she was production manager in middle management with Wiancko Engineering Co., in Pasadena. She later was on the vice president's staff of the electronic engineering concern. Again, she was not only the first woman in production but was one of five people who

instituted their credit union.

Floretta, a Girl Scout at the age of ten, served in the Pasadena area as Summer Day Camp coordinator in the middle 50's. At the time, long before her later enterprises, she attended and conducted staff meetings and was leadership chairman.

Harry and Floretta grew up together, they have known each other since their teens. They have one son, Lawrence Keith Lauber, a graduate of Whittier College, who is residing in Sierra Madre.

The Laubers have a gorgeous Basset named "Comfort". With "Comfort's" traditional Basset-sad appearance, it is hard to say whether it is he who is the comfort, or the one in need of comforting . . . in any cases, he is wild about Floretta and she, about him. Not only does the household have one dog; from dawn to dusk they have two. The other one is a six-months' old Labrador and his baby-sitter is Mrs. Lauber. Their son drops the puppy off at the Laubers' home in the mornings and picks him up in the evenings. Floretta calls him her grand-dog.

Floretta has won many awards, among them is a highly cherished one, a tribute from the West San Gabriel Valley Planning Council, an organization comprising all the cities of the West end of the valley where she served as president for two years, 1967 — 1969.

There are other souvenirs of an active life, one is the gavel she used as chairman of the Planning Commission in 1967-1968. It is mounted on the wall in a corridor of her home.

During 1965-1966, Floretta

was president of the Woman's Club of Arcadia, an endeavor she enjoyed. During her association with the Woman's Club, Floretta is proud of a two-year project which she chaired in the field of Community Improvement, that of coordinating all the service clubs in town in the production of the service emblems which are mounted at the entrance and exist of the city of Arcadia.

Floretta has also served as "Civic Day" chairman for the Woman's Club for the past three years. This event is looked forward by the club members and city fathers; members of city government are guests of the club, introduced and present their views of local government.

Mrs. Lauber has been a member of Arcadians since 1964 and was first vice president of that group in 1969. She joined the Methodist Hospital Auxiliary in 1968 where she served that busy group as first vice president during the 1970 — 1971 years. Floretta has been a member of the Sierra Guild to the Childrens Hospital since 1968. Under the Guild, she was the United Crusade chairman. In 1967, she became a member of the HEAR Foundation. Her oldest affiliation is with the Arcadia Republican Women's Club which she joined in 1961. Floretta is an honorary member of the Altrusa Club of Arcadia and was a part of the organizing Pasadena Club who sponsored the Arcadia group.

In addition to her main hobby of community work, Floretta and Harry also enjoy dancing and are members of the Nightlighters, a dancing club.
